I recently acquired an **Epiphone ES-339** Pro guitar that has some electrical problems. Its a semi-hollow guitar - so its going to be a bit more of a hassle than usual to sort it out - so I was hoping to get some input from folks to make it less painful than it would be otherwise. The guitar is a 2 ...

9. Schaller Roller Bridge stewmaccom

I've replaced all of my tune-o-matic bridges with these Schaller roller bridges and they're the best roller bridges that I've ever used. They look really nice, feel really nice due to the rounded edges, and the saddles have plenty of lateral travel, which has been a problem for me in the past when an ABR-1 bridge ran out of room for adjusting the saddles and I couldn't intonate the low **E** ...
